External Assessments

This month, our students began taking part in external assessments

These assessments provide valuable insight beyond classroom performance, allowing teachers to tailor lessons and support to meet each child's needs more effectively.

We have successfully completed the **CAT4 (Cognitive Abilities Test)**, which measures students' reasoning abilities in four key areas – verbal, non-verbal, quantitative, and spatial. This helps us understand how each child learns best and how we can nurture their potential in different subjects.

Currently, students are participating in the **IBT (International Benchmark Test)**, which assesses core subjects such as English, Mathematics, and Science against international standards. The IBT results help us track academic progress and ensure that our teaching approaches are aligned with global expectations.

EXTRA CURRICULAR

ACTIVITIES

WHAT'S ON NOW

Clubs are already in full swing, but there's still time to join —

Free and paid options are both available

WHAT WE OFFER

That's why we offer a wide range of clubs and activities — giving every child the chance to explore their interests, learn new skills, and shine in different ways

At our school, we believe learning goes beyond the classroom. Extracurricular activities help students discover their talents, build confidence, and develop important life skills such as teamwork, leadership, and creativity..

HOW TO SIGN UP

Simply contact reception at +971585277000 with your Child's name and the club you would like to register for. You will then be guided if any further steps are required.

SPECIAL DAYS

Special event days play an important role in school life — they bring our community together, create joyful memories, and help students learn beyond the classroom.

Celebrating these occasions encourages teamwork, creativity, and cultural awareness, while giving students the chance to express themselves and appreciate the world around them.

These moments strengthen our school spirit and remind us that learning can be fun, meaningful, and inspiring.

TEACHERS DAY

Celebrating the teachers that help us learn and grow into the leaders of tomorrow

SPECIAL CHARACTER VISIT

KG & Grade 1 Students had a spectacular morning with a special surprise visit!

HEALTHY EATING

Creating awareness for the importance of healthy eating not just in school but in life!

PINK AWARENESS

Sharing awareness for all the women in our lives to keep them healthy and with us for as long as possible.

OUTDOOR BREAKS

Now that the weather is cooling down. Outdoor breaks have now started once again!

CYBER SAFETY

- Protect personal information when online.
- Think carefully before posting or sharing content.
- Be kind and respectful in all digital interactions.
- Tell a trusted adult if anything online makes you feel uncomfortable.

In today's digital world, being online is a big part of students' learning and social life — but it's also important to stay safe and smart while doing so. Cyber safety starts with small, responsible choices.

We also ask parents to stay involved — talk to your children about what they do online, keep communication open, and remind them that the internet is a public space. Together, school and home can help students become confident, kind, and safe digital citizens.

HEAD GIRL

ZARWA JAHANZEB

Good morning parents, staff and students!

I hope to bring joy and happiness to the school with smiles on everyone's face. My vision is to always be kind and remember that the past isn't everything so look ahead, wipe those tears and go ahead!

What I would like to bring to the school.

- Healthy eating
- Joy
- Peace
- Teamwork
- Reading
- Happiness

ADAM YASSIN

HEAD BOY

Hello everyone!

Welcome to Adam G7, who will serve as this year's Head Boy. We're excited for him to represent our amazing students and work together to make this school year one to remember.

To support fellow students and contribute to the positive, welcoming spirit that makes our school so special.

STARS OF OUR COMMUNITY

At our school, we believe every success — big or small — deserves to be celebrated!

As one big family, we take pride in recognising our students' achievements both inside and outside the school. Whether it's excelling in sports, arts, community service, or any personal milestone, we love to celebrate your accomplishments.

If your child has achieved something special beyond school (Football, swimming award, etc) share it with us! Their story could be featured here and in our school assemblies as we continue to cheer for the amazing talents that make our community shine.

Meet The **MOE HOD**

Ms Tahani

Ministry of Education HOD

Hello everyone,

I'm Ms. Tahani, and I'm truly excited to join this wonderful school community as the MOE Head of Department. It's an honour to be part of such a dedicated team of educators and enthusiastic learners. I want to thank everyone for the warm welcome I've received. I look forward to working together to support our students, strengthen our programs, and raise achievement levels even higher. Together, we can continue building a school environment where every child thrives and succeeds.

Staff ANNOUNCEMENTS

We are thrilled to welcome our new team members, who will undoubtedly enhance our collective success. A heartfelt congratulations to those celebrating personal milestones.

Lastly, we bid a fond farewell to departing colleagues, whose contributions have left a lasting impact. We wish you all the best in your future endeavors.

ASK US ANYTHING!

What is it?

This is your space to ask questions—big or small! Parents and students can send in anything they'd like to know. It could be about school life, homework, or academics... or even something fun like your favourite ice cream flavour or best school memory.

Each month, we'll pick a few questions to answer right here in the newsletter.

We can't wait to hear from you!
